Dear Esteemed Supporter,

In the heart of Lee County, a group of motivated individuals works to create a brighter future for the community. The Life Springs Dream Center (LSDC), a 501(c)3, is dedicated to being a catalyst for positive transformation, working to bridge the gap between community needs and innovative solutions.

At the LSDC, lives are touched, stories are rewritten, and families find renewed hope. LSDC forges meaningful relationships, offers essential sustenance to under-resourced neighborhoods, and reaches out with a compassionate hand to those ensnared by human trafficking and addiction.

The LSDC programs are designed to make tangible impacts:

- Jail Ministry: volunteers extend a hand of hope within the confines of our local jails. The focus is cultivating relationships, paving the path to reintegration into society and decreasing the rate of recidivism. Over the past 12 months, LSDC has helped 46 people take their next step after being released from jail.
- Adopt-a-Block: an army of dedicated volunteers serve under-resourced areas in the Qualified Census Tract, empowering communities with resources that foster growth and self-sufficiency, currently serving seven neighborhoods and serving over 1,000 people every month.
- Human Trafficking: volunteers go into the community to identify and rescue people trapped in human trafficking. When rescued, they are placed in safe houses where they receive trauma support and rehabilitation to help their reentry into society. LSDC has currently helped rescue 28 survivors.
